

Veronica Prego-Faraldo

Ph. D. Student - Department of Cellular and Molecular Biology,
University of A Coruña

EDUCATION

July 2012 M.S. in Molecular Cellular and Genetic Biology (honors) - University of A Coruña, A Coruña, Spain

July 2011 B.S. in Biology - University of A Coruña, A Coruña, Spain

RESEARCH INTERESTS

Marine Biology, Marine Biotoxins, Cytotoxicology, Genotoxicology, Genomics, Transcriptomics.

POSITION AND EMPLOYMENT

2012 - Present Predoctoral Researcher, Dept. Cellular and Molecular Biology, University of A Coruña, Spain. Advisors: Dr. Jose M. Eirin Lopez, Dr. Josefina Mendez.

2011 - 2012 Master student, Dept. Cellular and Molecular Biology, University of A Coruña, Spain.

2005 - 2011 Bachelor student, Dept. Cellular and Molecular Biology, University of A Coruña, Spain.

PEER REVIEWED JOURNAL PUBLICATIONS

2013 Valdiglesias V., Prego-Faraldo M.V., Pasaro E., Mendez J. and Laffon B. Okadaic acid: more than a diarrhetic toxin. *Marine Drugs* in press.

2013 Prego-Faraldo M.V., Valdiglesias V., Mendez J., and J.M. Eirin-Lopez. Okadaic acid meet and greet: an insight into detection methods, response strategies and genotoxic effects in marine invertebrates. *Marine Drugs* 11:2829-2845.

GRANTS

2013 Science Faculty, University of A Coruña, Spain. Collaboration Fellowship, 10 months, \$5,000.

2012 International Campus of Excellence Campus DO*Mar, University of Vigo, Spain. Study of differential gene expression in the mussel *Mytilus galloprovincialis* in response to okadaic acid exposure, 10 months, \$10,300.

2011 Ministry of Education, Spain. Undergraduate Fellow in the Department of Cellular and Molecular Biology, University of A Coruña, 8 months, \$4,200.

2010 Scientific Museums of A Coruña, Spain. Program: Guided Tours, 10 months, \$1,000.

HONORS

2012 Master Scholarship, International Campus of Excellence DO*Mar, University of Vigo, Spain.
