MAC 2311 Quiz 2
Thursday January 16th

The graph of the function f is given. Evaluate the indicated limits.

$$\lim_{x \rightarrow 1^-} f(x) = 1$$

(If x is slightly LESS than 1,
the outputs of f approach 1.)

$$\lim_{x \rightarrow 1^+} f(x) = 2$$

(If x is slightly MORE than 1,
the outputs of f approach 2.)
